Group Sales Policies

- Student rates are only applicable for students in grades K–12.
- All group ticket orders receive one (1) complimentary ticket per 20 tickets purchased.
- Student/Camp groups require one (1) adult chaperone for every 10 minors. Chaperones must remain with their group at all times.
- Full payment is due 2 weeks before the scheduled visit date to receive the group rate; otherwise regular rates or additional fees may apply.
- Ticket prices valid through the 2024 season.
This year, the Bronx Zoo celebrates 125 years! Treat your group to a day of amazing animals and unforgettable memories at the Bronx Zoo, home of more than 11,000 animals representing 640 species from around the world. Explore 265 acres of hardwood forest and encounter tigers, gorillas, rhinos, giraffes, lions, and much more—including familiar faces from Animal Planet’s THE ZOO.

**FOUR SEASONS OF DISCOVERY**

The Bronx Zoo is open year round, offering wildlife adventures for schools, camps, and other groups in every season.

**Spring and Summer**
- Explore Animal Chronicles, our NEW immersive walking trail featuring 68 animal sculptures. Learn about the zoo’s history in saving species and afterwards visit the animals in real life!
- On the African Plains, encounter the zoo’s tallest residents, the giraffes, and visit the kings of the jungle, the lions, whose roars can be heard up to 5 miles away!
- Journey into the heart of the Asian wilderness aboard the Wild Asia Monorail and spot elephants, rhinos, tigers, and other species.
- Discover the rainforests of Africa in Congo Gorilla Forest—learn about their unique personalities and behavior of our western lowland gorillas.
- At the Children’s Zoo, meet prairie dogs tunnels, Caribbean flamingos, a giant anteater, and playful squirrel monkeys, and then head to the farmyard—where you can pet and feed sheep, donkeys, alpacas and goats.

**Fall**
- Spend an autumn day outdoors, wandering through tree-line pathways bursting in color.
- Say hello to the California sea lions at the Sea Lion Pool (feedings daily at 3pm!).
- Learn how the American bison were saved from extinction, while watching them roam along the Bronx River.
- Visit gelada baboons, Nubian ibex, and rock hyrax at the Gelada Reserve.

**Winter**
- The park’s hardwood forest transforms into a winter wonderland.
- Come face to face with an Amur tiger, the world’s largest cat, at Tiger Mountain.
- Watch the grizzly bears play together, wrestling and rolling around in the snow at the Big Bears exhibit.
- Catch a glimpse of the mysterious snow leopards playing together at the Himalayan Highlands.
- Warm up inside at Jungleworld, where you can spot a tree kangaroo, otters, and ebony langurs hanging out in the branches.

**Bronx Zoo Admission tickets** include park entry and unlimited admission to Congo Gorilla Forest, Wild Asia Monorail, Children’s Zoo, JungleWorld, Butterfly Garden, Bug Carousel, and Nature Trek. Limited Admission includes park entry only. Bronx Zoo Admission tickets represent a 75% savings over purchasing Limited Admission tickets and paying à la carte for the zoo’s Star Attractions. Contact us for winter rates.

New York Aquarium

At New York City’s only aquarium, your group can take a deep dive into the ocean and encounter amazing marine wildlife.

- Explore Washed Ashore, the traveling art exhibit. Learn about the impact of plastic pollution on our oceans through 35 larger-than-life animal sculptures created from marine debris.
- Meet bizarre but breathtaking invertebrates in Spineless. Encounter the world’s largest living arthropod—the Japanese spider crab—and the tiny flamboyant cuttlefish.
- At Ocean Wonders: Sharks!, walk through a tunnel of colorful coral reefs while sharks and butterfly fish swim around you. Learn fun facts about how to protect the sharks, whales, and other marine animals found in New York’s waters.
- Sea Change offers intimate underwater views of sea lions, penguins, harbor seals, and sea otters.
- Hang out with penguins, sea otters, sea lions, and harbor seals along the rocky shores of the Sea Cliffs exhibit.
- At the Aquatheater, learn about sea lions, and witness the incredible bonds they have with their keepers.
- At PlayQuarium, elementary-aged kids can transform into sharks, sardines, and humpback whales while they explore the ocean.

Central Park Zoo

Prospect Park Zoo

Queens Zoo

If you’re in NYC, there’s a WCS park right in your neighborhood. Central Park Zoo, Prospect Park Zoo, and Queens Zoo offer incredible animal experiences for your whole group.

Central Park Zoo

- Visit majestic wildlife in the heart of Manhattan
- Encounter tropical birds, snow leopards, harbor seals, and one of the nation’s largest colonies of Antarctic penguins

Queens Zoo

- Explore 18 acres of beautiful outdoor exhibits
- Encounter wildlife native to the Americas in the heart of Queens, including southern pudu from Chile and Argentina, American bison from the Great Plains, and Andean bears—the only South American bear species

Prospect Park Zoo

- Explore a 12-acre zoo in Prospect Park, home to more than 400 animals representing 150 species
- Designed to allow up-close animal viewing, perfect for young children who want to learn about wildlife
- Encounter dingos, red pandas, and the elusive Pallas’s cat (aka the original grumpy cat). Pet and feed alpacas, sheep, and zebu
